William Kasperovich: Commends Highway Dept., Supt. should sit up front with rest of elected officials and also suggests that the Town zoning map should be obtainable in sections instead of large sheet.

4-5

Steve Haizlip: Questions Unfinished Business regarding M.H. of L.I.

5

Bill Stillwagon: Asks for clarification of hotel bill that town auditors mentioned in newspaper.

5

Jessie Tomlinson: Expresses concern regarding proposed Local Law for agricultural worker housing and mentions articles from the paper citing potential problems that should be addressed.

6-7

George Schmelzer: Concerned about Brookhaven Town allowing access to the Peconic River and what is the town doing about it.

38-3

Henry Pfeiffer: Use of municipal facilities publication and does it include the use of Bayberry Park by the Wading River Civic Association.

39

Steve Haizlip: Asks for clarification when Board amends a resolution from the floor and would like to know the amendment.

40

Dick Benedict: New dump stickers are required and how was it advertised for the residents to know the requirement.

40-

Cyril Bexkorowajny: Secretary to Ukrainian National Assoc. and explains the purpose of the organization and accomplishments.

46-

Monsignor Babak announces Ukraine Independence Day 68th Anniversary as January 22, 1986.

46

William Kasperovich: Re: Town's condemnation for Saric property and Town Clerk's lack of information on file.

49-

Bob Skinner: People are converting their basements into apartments and is this legal? New housing should mean new recreation facilities.

51-

Peter Danowski: Attorney for Pafundi special permit explains application and what could be developed in the existing zone.

54-

Catherine Welsh: speaking for Civic Association and opposes the special permit application of Pafundi in the South Jamesport area.

56

Ted Strickroth: In favor of progress but must be thought out very carefully.

57

Sam Sadow: Not against the Pafundi application except for the effect it will have on the environment.

57

Jane Ludlow: Opposed to Pafundi application because of density and the resulting sewage and effects on the environment.

57

Betty Brown: Pafundi application would disrupt the quiet community and begin the trend of intense sprawl in an otherwise rural area.

58

James Farley: Introduces John Glander as a hired appraiser to review the site for construction.

59

John Glander: Inspected property for construction of Pafundi application for 20 condominium units in South Jamesport.

59-62

James Farley: Concerned about density of condominium units and the effect it will have on the ruralness of the community of South Jamesport.

62-64

Sharon Waldman: Recommends that Jamesport area be developed very carefully and according to the Master Plan.

65

Mary Beth Andresen: Pafundi application is overdensifying the area of South Jamesport and would enhance the flooding problem.

65-6

Peter Danowski: Explains the process that Pafundi must go through for his special permit application with the various Town and County Departments.

67-6

Walter Binger: Town code is not ready for all the developers and the intent of over densifying areas within the town.

6

Garrison Brown: Opposes condominium project in South Jamesport because of the stress that will be put on the water, sewer and the environment.

69-7

Lockwood Pennell: Condominium units would change the whole atmosphere of community and would not enhance area at all.

70-7

Adrienne Bucholtz: Riverhead seems to be getting a little trashed and does not want to see that in Jamesport.

7

Jim Smiley: Beach, quite neighborhood and one-family houses would all be in jeopardy with condominiums.

7

Roberta Burns: Opposed to the condominium units and it would effect the community and it's character.

71-
